Any plumbing or heater repairs are an additional charge and will be scheduled at a later date. Regina

Pools & Spas cannot guarantee a clear pool after opening. If any problems existed at time of the pool closing, such as green or pink algae, cloudy water, etc., we recommend opening at least two weeks earlier than you normally would open your pool. Any chemicals or materials used at Open/Close in addition to those included in contract will be billed separately and may incur installation charges as well. *All pool closings must be completed by 10/31/2026. Any pool closing after 10/31/2026 will incur a 30% increase.

When would you like us to open/close your pool?

Dates requested are on a first come first serve basis with payment and signed contract.

Before Our Technicians Arrive:

Customer Responsibilities and General Conditions for Pool Openings & Closings

1. There will be no work performed unless payment is received at time of scheduling the opening and/or closing date with signed contract.
2. **Pool water level must be brought to mid-skimmer prior to opening date. If not, there will be a \$120.00 charge to return and start equipment.**
3. Pool area should be free of patio furniture, toys, plants, etc.
4. **The owner must remove water and excess debris from the cover or Regina will remove this at an additional charge of \$43.25 per 15 minutes.**
5. Every effort will be made to complete work contracted on date requested but is not guaranteed.
6. Additional repairs that are needed will be billed separately at \$43.25 per 15 minutes plus cost of material if time permits. Extensive repairs may have to be rescheduled as a service call at a later date after the pool is opened.
7. **Power must be turned on to equipment and water source (hose bib and hose) on and available. If not, there will be a \$120.00 charge to return and start equipment.**
8. Do not put solar cover, automatic cover, or automatic cleaner in pool until the next day. Shock treatment can damage these items.
9. **Vacuuming of pool is not included in opening package, but maintenance may be scheduled once the system is operational.**
10. Regina Pools & Spas carries all insurances required by law.
11. Regina Pools & Spas is not responsible or liable for present or future conditions of owner's pool and/or pool & hot tub equipment.
